Master Teacher Specialization Designation

If you are applying for the Child Development Master Teacher Permit under Option 1, identify courses that you will be using to meet the 6 unit minimum of specialization needed. Here are a few *examples* of specializations:

| | |

| Teacher/Family Relationships | Children with Special Needs |
| School-age Child Care | Bilingual/Diversity |
| Music Enrichment | Math & Science |
| Art & Creative Expression | Fitness & Movement |
| Language Arts & Literacy | |

The 6 units from the Master Teacher Specialization Designation can be a variety of combinations and DO NOT need to be entirely Child Development units. Here are a few *examples* of specialization possibilities:
