Mt. SAC Academic Senate Issues Statement in Support of Associated Students and Their Right to Inquire About Issues Raised in Local Dual Enrollment Offerings

The Mt. San Antonio College Academic Senate recognizes the right of students to exercise their voice in the shared governance of our College and, as such, fully supports the Associated Students' hearing about the College's Dual Enrollment Program and proposed Early College High School. Furthermore, we discourage any actions by college employees intended to block this or any other formal or informal Associated Students' hearing, inquiry, discussion, debate, forum, or meeting.
