

# MT. SAN ANTONIO COLLEGE

DATE: September 22, 2021

TO: College Committees and Selected College Programs

FROM: Bill Scroggins, Ph.D., President/CEO

SUBJECT: **PLANNING FOR 2021-22**

The President’s Advisory Council (PAC) seeks to maintain a systematic mechanism for documenting and reviewing the important work taking place at committee and program levels. We want to reflect this work in our reporting of institutional effectiveness. As a result, we are asking that each committee consider how the work of the council/committee contributes to moving us towards reaching college-wide goals. As a college we are making particular efforts this year to examine all of our work with an equity lens and to make commitments to address issues that will increase equity. Therefore, in addition to connecting the work of your council/committee to college goals you are asked to speak how the council/committee will address equity in the work of the committee. Each council/committee is required to complete the following:

- Purpose and Function Statement. Your committee’s latest PAC-approved Purpose and Function Statement is attached to this email. **Please make changes directly to this file using strikethrough for deletions and bold and underlined for additions. DO NOT use track changes.** The purpose, function, and membership of council/committees which report to PAC cannot be changed without approval. If your council/committee believes that changes are warranted, they need to be recommended during this annual review process. Committees which report to Senate must get Senate approval to change your purpose and function statement or add/delete members to your committee.
- Committee Goals and Progress Report. Use the attached template to *document the goals and accomplishments* that your committee/program worked on this year. [In fall you are asked to set goals for the year, and in late spring you will be asked to reflect on these goals and report your accomplishments.] You will note the first Goal has been completed for you. To comply with Accreditation Standards, your College committee website needs to be maintained and kept up-to-date. PAC encourages your group to be thoughtful with its goals. The College continues to use its goals and College mission, vision, and core values <https://www.mtsac.edu/about/mission-and-goals.html> to drive planning. The attached goals have been reviewed and approved by the Institutional Effectiveness Committee (IEC), PAC, the College President, and the Board of Trustees. Also, if you have received recommendations from PAC to revise or add other goals, please do so on this form.

Please submit your completed documents to Brigitte Hebert ([bhebert3@mtsac.edu](mailto:bhebert3@mtsac.edu)) and the manager responsible for the program or respective council using the attached templates. Please see the due dates below.
