Concept Check: Expression Obligation or Necessity

If you want to express “I must do something” or “I have to do something” you can use the form ~어/아야 되다. This form is used to express obligation or necessity. You can also use ~어/아야 하다, which is slightly more formal than the ~어/아야 되다.

To conjugate into the ~어/아야 되다 and ~어/아야 하다 form, conjugate into the polite ~어요/아요 form. Then drop 요 and add ~야 돼요 / ~야 해요. As long as you conjugate verbs and adjectives into the correct ~어요/아요 form, you will not make mistakes conjugating them into the ~어/아야 되다 and ~어/아야 하다 form.
