Registration Information

Registration is happening now. Sign up today!

How to Register for a Class

Students can register for classes online or in person.

To register online, complete the noncredit application online each semester. After completing the noncredit application, we will email you a personalized registration link where you can select your classes. The noncredit application is available online at www.mtsac.edu/noncreditapp

To register in person, complete a yellow registration card. This registration card serves as your application and registration document. You can get a blank yellow registration card from your teacher. After filling it out completely, please give it back to your teacher for processing.

To register for in-person *Computer Skills* classes or *other impacted classes*, see the following page for registration information.

Need help?

Come see us in person! We have application workshops and registration support dates out in the community at a location near you. See the following pages for details.

Summer & Fall 2024 Registration Support Dates

If you would like to register for **in-person *Computer Skills*** class or ***other impacted class***, you **must** attend the registration support day at the location where you plan to take the class (*see schedule below*). You do not need to attend registration support day if you are not interested in taking impacted classes. Impacted classes are noted in the schedule book with a double-asterisk (**) next to the CRN number.

Date	Time	Location
Tuesday, May 7	10am-12pm	Diamond Bar Center
Wednesday, May 8	10am-12pm	Heritage Park, Diamond Bar
Thursday, May 9	10am-12pm	La Verne Community Center
Friday, May 10	10am-12pm	Baldwin Park Julia McNeil Senior Center
Monday, May 13	9am-11am	San Dimas Senior/Community Center
Tuesday, May 14	9am-11am	West Covina Senior Citizen's Center
Wednesday, May 15	10am-12pm	Washington Park, Pomona
Thursday, May 16	10am-12pm	Palomares Senior Center, Pomona
Friday, May 17	10am-12pm	Irwindale Senior Center
Tuesday, May 21	9am-11am	Walnut Senior Center
Wednesday, May 22	11am-1pm	Gibson Senior Center, Upland
Wednesday, May 29	10am-12pm	Covina Senior Center

** In Person Technology Classes & Additional Impacted Classes

(Additional impacted classes are: Summer CRNs 11576, 11563, 11564, and 11587 & Fall CRNs 23478, 23595, 23610, and 23593)

Each person must register for themselves. Students may not register for anyone else. Registration is first-come, first-served.

If you miss the dates listed above, you may attend on the first day of class to see if space is still available, or you can contact the professor.

Additional Program Information

About the Education for Older Adults Program

Mt. San Antonio College's School of Continuing Education offers classes for older adults that provide opportunities for personal growth and development, community involvement, and skills for mental and physical well-being. Classes are available online and at various senior centers, community centers, and residential facilities. These courses are designed for older adults (age 55+ years). Education for Older Adults (EOA) students enter class with different levels of real world experience as well as a multitude of educational levels, age variances, and life skills.

Do you have questions about a class?

All faculty members teach their classes slightly differently based on their knowledge, expertise, and teaching philosophy. It is the policy of Mt. San Antonio College to maintain and encourage freedom for its faculty, within the law, of inquiry, teaching and research, and the pursuit of knowledge. If you have questions about a specific class, we encourage you to email the faculty member.

Course Modality

Course Modality refers to how an instructor delivers their course.

- **In Person Learning** takes place at a physical location at specific days/times.
- **Synchronous Learning** is online learning that happens in real time. This means that you, your classmates, and your instructor interact in a Zoom call through Canvas at a specific time.
- **Asynchronous Learning** is online learning that happens both in real time and on your schedule. All asynchronous classes have a weekly live Zoom call. In addition to the Zoom call, you are responsible for doing some work independently. You will be required to read, watch videos, participate in online discussion forums, or complete assignments outside of the scheduled Zoom time. You have the ability to access and satisfy these requirements within a flexible time frame.

Class Descriptions

Brain Health Classes

OAD BHTH1 Brain Health 1 - Introduction to Brain Training

Critical thinking and cognitive skills through understanding key structures and functions of the brain. Focus on maintaining and/or improving cognitive abilities through brain training.

OAD BHTH2 Brain Health 2 - Brain Health Topics

This course improves cognitive abilities by combining brain training with brain health topics/lectures to strengthen and improve brain function. Particular focus on how to live a brain healthy lifestyle.

OAD MBH Music and Brain Health (*tentative start date fall 2024*)

Examine the connections between music and brain health, while learning strategies for strengthening memory skills with music. Focus on improving cognitive functions through engaging musical exercises and interactive challenges. Students will express their knowledge by creating their own music and displaying their mastery of the material in a collaborative performance. Primarily for the older adult.

Painting and Drawing

OAD FNA03 Oil Painting

Principles of drawing, design, color, and composition for oil painting emphasizing creative skill development for the older adult population.

OAD FNA04 Watercolor Painting

Principles of watercolor painting for the older adult population. Emphasis will be on creative expression to develop primary skills for watercolor as they relate to composition and technique.

OAD FNA32 Drawing— Beginning-Advanced

Drawing while emphasizing the development of perceptual and technical skills. Students will advance their abilities in dry and fluid media while expanding their use of the formal elements and principles. The development of works of art will utilize observation of single objects, still life and landscape for representation and expression.

Healthy Aging Classes

OAD FN Food and Nutrition for the Older Adult *(tentative start date fall 2024)*

Examine nutritional cooking strategies for older adults seeking to improve their health and vitality. Basic nutrition principles, and how these principles apply to older adults. Students will review the unique nutritional needs and challenges of aging adults, and learn how to better meet their daily nutrient requirements. Participants will learn how to incorporate nutrient dense ingredients and cooking techniques to create meals that are tasty and nutritious. By the end of the course, students will gain an understanding of how proper nutrition and healthy lifestyle choices can help older adults increase their quality of life.

OAD MOX01 Healthy Aging

Healthy aging, including diet, nutrition, disease prevention, and application of physical fitness principles to maintain health while aging.

OAD MOX02 Healthy Aging - Principles of Slow Movement

Healthy aging, including diet, nutrition, disease prevention and application of Tai Chi Principles to maintain health while aging for the older adult.

OAD MOX04 Healthy Aging - Principles of Posture and Flexibility

Health aging, including diet, nutrition, disease prevention, and application of Yoga principles to maintaining health while aging for the older adult population.

OAD MOX06 Healthy Aging - Principles of Aquatic Resistance

Healthy aging, including diet nutrition, disease prevention, and application of aquatic resistance principles to maintain health while aging for the older adult population.

OAD MOX09 Healthy Aging – Principles of Progressive Resistance *(tentative start date fall 2024)*

Healthy aging, including diet, nutrition, disease prevention and application of progressive resistance training principles to maintain strength and prevent osteopenia while aging. Primarily for the older adult.

OAD MOX11 Healthy Aging – Fall Prevention Balance and Mobility

Addresses, particularly for older adults, the risks and fears associated with falling. Includes setting realistic goals, minimizing environmental risks and balance exercises.

Vocational Re-Entry Program

Mt. San Antonio College's School of Continuing Education offers vocational re-entry (VRE) courses and certificates for adults returning to the workforce and as a means of supplemental income. Classes are available online, on campus, and at various locations and community centers. Students enroll in these classes to learn vocational skills that they can use to start a new career, start their own business, earn additional income, or to support their community. Students can earn certificates in Office Computer Applications, Basic Excel Applications, Basic Computer Presentations & Publication, Microenterprise, or Sewing & Tailoring.

You can view the VRE Schedule online at www.mtsac.edu/ea.

SCHOOL OF CONTINUING EDUCATION STUDENT ONLINE SUPPORT

SCE SOS

Our Student Online Support program provides noncredit students with LIVE, one-on-one assistance with online/technology support to help you navigate, access, and succeed in your courses!

WHAT WE HELP WITH:

- Mt. SAC Portal
- Canvas
- Mountie Mail
- Zoom
- Noncredit Application
- And much more!
